SATURDAY, APRIL 13, 2019

Please plan to join our St. Ursula Villa community for Villabration 2019 — the party of the year! This year's theme is *Game Night at the Villa* when we will celebrate our Villa community while raising funds for an excellent education for each Villa student.

Helpful details:

GAME NIGHT INSTRUCTIONS:

6:00 Arrive for pre-gaming

6:45: Roll the dice through Dinner and Live Auction

8:30 Move your game piece to Silent Auction

All Villabration-related activities and information will be posted on our Villabration site in March. You will receive a text message and email to view auction items and pre-bid on certain offerings. You will access the site on event night with your cell phone.

What is a Sign-Up Party?

Villa families and friends host a variety of parties for children, couples, and families. Sign up to attend for a specified bid amount on our Villabration site. Most parties have a guest maximum, so sign up early to get in on the fun!

What is a Paddle-Raiser?

A paddle-raiser is a party or event for multiple people or couples. Each couple bids individually during the Live Auction using their own bid number. Bid price increases until we reach the desired number of participants.

What is Group Bidding?

Groups coordinate prior to the auction and decide to bid together on a package. One bidder will be responsible for placing the bid for the group. At check-out, all parties can direct how much each family should be charged.

We can't wait to see you there!
